Investor & Partnering Forum

2017

NOV 14TH - 16TH
PINEHURST, NC

The Southeast BIO (SEBIO) Investor & Partnering Forum provides an unparalleled opportunity to meet key decision makers in the regional and national life science and medical technology communities. This year's Forum will be held **November 14-16 in Pinehurst, North Carolina** at the historic Pinehurst Resort.

The SEBIO Investor & Partnering Forum has built a loyal following attracting thought leaders and investors from across the country and we trust the 2017 Forum will bring new opportunities to build business partnerships and explore the state's burgeoning life science industry.

More than 300 biotech and medtech investors, corporate executives, university representatives, entrepreneurs and service providers will attend the event this year. This is a rich opportunity to showcase your company at the most significant annual life science event in the Southeast.

To date, the more than 200 later stage and 165 early stage companies that participated in previous SEBIO Investor & Partnering Forums have raised more than \$2.5 billion in public and private funding. These numbers speak as to the quality of our presenting companies.

Please consider supporting SEBIO and join us for the region's preeminent investor forum, which connects emerging life science and medical technology companies with potential investors and corporate partners looking to do business in the Southeast.

Sincerely,

David L. Day
SEBIO Executive Director

About Our Venue

Founded in 1895 in the heart of the North Carolina Sandhills, Pinehurst Resort is an unparalleled destination featuring nine world-class golf courses, an award-winning spa, three historic hotels, tennis and other recreational activities. Widely known as the cradle of American golf, Pinehurst has served as host to more single golf championships than any other site in America. Its most revered golf course, Pinehurst No. 2, is considered one of the game's architectural masterpieces and was recently restored to Donald Ross' original vision.

Premier Sponsorship Opportunities

SEBIO showcases a broad spectrum of life science and medical technology investment opportunities, ranging from acquisition stage companies to the earliest stage start-up and partnering opportunities. The Forum is structured such that each opportunity fits distinctly into one of two program channels – MAIN/Stage or EARLY/Stage. SEBIO offers supporters the chance to own these stages with multi-year sponsorship commitments.

MAIN STAGE – Three Year Commitment of \$25,000/Year

This program is designed to showcase the best of the Southeast's venture-backed life science and medical technology companies, integrating panel discussions on topics relevant to emerging companies with the traditional practice of presentations from companies seeking financing for their next phase of development. Companies pitching on the Main Stage are selected from an applicant pool by a committee of regional and national institutional investors.

- ✓ Special recognition in Main Stage section of SEBIO Investor & Partnering Forum conference brochure, conference program, conference website, conference mobile app, and “all sponsors” forum sign, and during Main Stage event.
- ✓ Recognition in press releases announcing Main Stage presenting companies.
- ✓ Opportunity to introduce firm and Main Stage presenting companies at Main Stage event.
- ✓ SEBIO Board of Director nomination.
- ✓ Headline sponsorship benefits (page 4) plus four (4) additional complimentary conference registrations.

EARLY STAGE – Three Year Commitment of \$15,000/Year

Arguably SEBIO's most successful program to date, this program features companies typically seeking their first round of capital. A primary goal of this program is to arm companies seeking early rounds with an investor-ready pitch and business plan. Sixteen companies, selected from an applicant pool by a committee of regional and national institutional investors, present their investment pitches and business plans to onsite advisory teams at the Investor & Partnering Forum. The advisory teams will select four companies to advance to the final “Shootout.” The winner is announced at the Investor & Partnering Forum during the Closing Program.

- ✓ Special recognition in Early Stage section of SEBIO Investor & Partnering Forum conference brochure, conference program, conference website, conference mobile app, and “all sponsors” forum sign and during Early Stage event.
- ✓ Recognition in press releases announcing Early Stage participating companies and winner.
- ✓ Opportunity to introduce firm at Early Stage event.
- ✓ Headline sponsorship benefits (page 4) included plus two (2) additional complimentary conference registrations.

For more information about the premier sponsorship opportunities listed above, including the benefits to your company associated with each, please contact David L. Day, SEBIO Executive Director at dday@sebio.org or 352.281.6321.
