

# AWARDS

## CALL FOR NOMINATIONS

Southeast BIO is pleased to announce the call for nominations for the 2018 SEBIO Awards. These annual awards honor healthcare and life sciences organizations in the Southeast US whose achievements are bringing the region into focus as a hub of medical and technological innovation.

This year we will recognize companies from five categories, each representing a corporate or financial milestone. We will also recognize an individual with our customary Lifetime Achievement Award, reserved for passionate leaders who have made significant contributions to the life sciences industry in the Southeast.

### INITIAL FUNDING

Initial equity financing of less than \$1 million

### VENTURE FUNDING

Equity financing of greater than \$1 million

### STRATEGIC INVESTMENT

Strategic investment in award company by a peer

### STRATEGIC ACQUISITION

Material acquisition of an award company or by an award company

### INITIAL PUBLIC OFFERING

Initial securities offering to the public

**20<sup>TH</sup>**  
ANNIVERSARY

**NOV 13<sup>TH</sup> – 14<sup>TH</sup> 2018**

**ATLANTA, GA**

Recipients will be invited to accept their awards and briefly discuss their successes on the main stage at the Southeast Bio Investor & Partnering Forum on November 13 & 14 in Atlanta, GA. Winners will also be featured in the conference materials and web site.

Join us in celebrating those who have created lasting value for our region by nominating them – or yourself! – for this special recognition. Eligible companies are those who have achieved the category milestone since November 1, 2017 and who have headquarters or substantial operations in the Southeast US.

The deadline for nominations is Monday, September 15 at noon ET. Please submit nominations to Evan McClure MD (evan@lifesciencepartner.com) or at <https://goo.gl/forms/QVWeph8LpTcYRYsC3>. For additional information, contact David Day, Executive Director of SEBIO at [dday@sebio.org](mailto:dday@sebio.org).

Southeast BIO (SEBIO) is a regional non-profit organization that fosters the growth of the life sciences industry in the Southeastern United States through efforts that promote entrepreneurship and bring together the key players active in the development of the industry. SEBIO's geographic footprint includes Alabama, Florida, Georgia, North Carolina, South Carolina, Tennessee and Virginia. We focus on key industries within the life sciences, including: bio/pharma, medical devices and technology, agricultural biotechnology, animal health, bioinformatics and biomaterials.
